Hi Vivian,

Thank you for joining our progress update call earlier this afternoon. Your assistance on this project is always appreciated.

Per your request to facilitate your coordination effort with the Navajo Nation regarding access to Section 13 (Bibo Trespass), please find attached a site plan depicting the locations of the proposed TCRA areas at the site.

The TCRA areas of Section 13 are located within: SE 1/4 Section 13, T13N, R11W.

Please let us know if you need any other information that may expedite obtaining approval to access Section 13 for TCRA implementation.

Thank you,

Maher M. Zein, PhD, PE, QSD/QSP, QISP | Senior Environmental Engineer/Certified Project Manager |
